

Reshaping Performance Management to Increase Engagement

Jason Westenskow

First... take away the “Pain”

In the quest for engagement;

Eliminate obstacles or pain points that erode engagement

- Practices
- Policies
- Processes

The “Painful” Annual Evaluation

The antiquated process has survived too long!

Generally = dreaded by both parties

- Uninspiring
- Not effective
- Pencil whipped

We Still Wanted to do Something...

Connection to one's leader is the **#1 driver** of employee engagement.

The “experts” and our own senses tell us employees want feedback but... in a manner that is:

- Frequent
- Natural
- Meaningful

Our First Take -- Quarterly ConnectZ
